PLAY FIGHTING IN WILLOWS BY DR. LOUIS F. ROMAIN, USA

FOREWORD

Nature and WildLife Photography was introduced in India in 1950. Being one of the most difficult and challenging branch of photography, Photographers all over the world devote enormous time with passions to produce & capture good WildLife and nature photographs. With a view to promote Nature and WildLife Photography, 'NAVODAYA PHOTOGRAPHIC CLUB, PILAKHUWA, was founded' in 1990. All members of IIPC and PSA (USA) were invited to participate in the first JCM International Nature Salon 2002. Out of over 766 prints & slides, panel of Judges consisting of SHRI R.K.PAUL, AIIPC, A.S.YADAVA, ASIIPC, CHITRANGAD KUMAR, AIIPC, awarded 20 Medals and 28 Certificates of Merit to outstanding entries.

This Exhibition of Nature & WildLife Prints was first of its kind was held at PILAKHUWA on 29th & 30th December 2002. Selected prints, many of which were of par excel quality and contents, contributed by amateur and professional wildlife photographers from 19 countries were displayed in this Exhibition. A slide-show was also held on 29th December 2002 at NAVODAYA PHOTOGRAPHIC CLUB, PILAKHUWA. Each slide of birds, animals and insects was rich in colours and details, and breathe taking.

This International Exhibition was dedicated to JIM CORBETT the best-known name in the world of WildLife in India.

The NAVODAYA PHOTOGRAPHIC CLUB, PILAKHUWA express sincere thanks and gratitude to all the photographers who participated from various countries. We are also grateful to IIPC as well as to PSA (USA), and specifically to Hon'ble Shri O.P.Sharma whose inspiration, guidance and supervision made the above event a tremendous success. I personally look forward to all my seniors for their ever-lasting patronage in future also.
